

Dear Sir/Madame:

I have been a K-Love financial supporter and listener for years. I gladly pay \$38.00 per month to have a radio station with Christian music that I don't have to censor on behalf of my children. We have lived in Monterey County for over 12 years but have moved throughout the area. The one stable element for us has been K-Love radio. Everytime I need encouragement, which is daily, I turn on the radio and hear a special song that I am convinced was wrote/sung just for me at that time. Most of the songs playing on the air are not appropriate for my minor children to listen to due specifically to their sexual content. Living in South County which is largely Hispanic, there are not a lot of stations to choose from unless you are bilingual which we are not. If K-Love is displaced by an LPFM broadcaster we would be lost.

I sincerely hope you will consider my plea to keep K-Love right where it is.

Sincerely,

Dawn Garrigan

Mother of 2 teenage daughters and one young son.
